

Appl. No. : PCT/AU03/001586  
Filed : November 28, 2003

### REMARKS

The Specification and Claims have been amended to conform the International application to the rules of practice before the United States Patent and Trademark Office. Claims 5, 10, and 13-16 have been amended to remove multiple dependencies. Claims 27-29 have been added for the same reasons. Support for added claims 27-29 can be found in the Specification and claims as filed, for example, Claims 15 and 16 as filed. The changes made to the Specification and Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. No new matter has been added herewith. As a result of the amendments herein, claims 1-29 are presented for examination.

### Conclusion

Applicants believe that the current amendments place the application in condition for examination. Should there be any questions which might result in a delay in examination, the examiner is respectfully requested to contact the undersigned at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
